# Party Trays...

**And More!**

**Let us do the work...**

**We take the guess work out of how much to serve.** You tell us how many people you will be serving and we prepare just the right amount for your group.

**We use only the best and freshest ingredients**

Our meat and cheese trays feature Amish cheeses and locally grown meat, including our own award winning hams. We make the trays just before you pick them up to insure freshness. (Specialty salads in large amounts must be ordered ahead.)

**Order ahead and don't worry about a thing!**

Although we will put a tray together in the same day, it's always best to call ahead. We'd like to know at least a week in advance if you can, and even a couple of weeks during the holiday seasons.

**We'll customize it just for you.**

Simply tell us what you want and we will do it just right. Maybe you only want roast beef, or wish to omit the cheese, or perhaps you want cheese cubes instead of slices—no problem! Just let us know and we will make it to your specifications.

**One Stop Shopping**

We have everything you need for any get-together, from ice to chips to salads and desserts. Just use the handy order form and let us take the hassle out of entertaining.
